

Volunteer and/or Donate for California Clean Money to pass the California Fair Elections Act!

Help us pass the California Fair Elections Act on the November 2026 ballot to allow public funding of campaigns, letting good candidates to compete against Big Money anywhere in California!

We've done this before — our nation-leading DISCLOSE Act victories forced Dark Money groups to reveal their top funders in California ads. Now we must level the playing field with public funding!

Name _____

Address _____ Zip _____

Email _____ Phone _____

Cell/Mobile _____ [] Please text me action alerts and invitations.
