

Petition for Proposition 4, California Fair Elections Act

Repeal ban on **PUBLIC FINANCING** of **CAMPAIGNS** so elections are won, not bought!

Event: _____

Date: _____

Circulator: _____

I support Proposition 4 on the November 2026 ballot and urge all elected officials to help it pass.

Public financing of campaigns empowers voters and allows qualified candidates to compete with Big Money. But it is banned in California except in charter cities.

Proposition 4 will: (1) Repeal the ban. (2) Require that publicly funding candidates abide by expenditure limits and meet strict criteria to qualify.

(3) Prohibit use of public funds to pay for legal defense, fines, or to repay personal loans to campaigns. (4) Triple the maximum fines on illegal foreign contributions.

Put on the ballot by SB 42 that passed in 2025, sponsored by California Clean Money Campaign, California Common Cause, and League of Women Voters of California.
