

# Petition for Senate Bill 24 and Assembly Bill 270

Allow public financing of election campaigns anywhere in California!

Event: \_\_\_\_\_

Date: \_\_\_\_\_

Circulator: \_\_\_\_\_

**We, the undersigned, urge Governor Newsom and all legislators to support SB 24 and AB 270.**

Large California cities are allowed to use public financing of campaigns to lessen the influence of Big Money in politics, but counties, smaller cities and the state itself don't currently have that option. SB 24 and AB 270 will put a measure on the November 2024 ballot to allow all of California the option to have public financing to make elected officials accountable to voters, not big money donors.

Sponsored by California Clean Money Campaign, a non-partisan grassroots organization working to fight the influence of special interest money in politics since 2001.
