Elections Should Be Won, Not Bought!

Our democracy is in danger: 150 billionaires spent over \$2 billion in 2024, most on deceptive ads that drowned out the voices of voters and small donors.

The solution is public financing of campaigns to empower voters and allow qualified candidates to compete with Big Money.

Join us for the Bay Area Campaign Kickoff for SB 42 to place the *California Fair Elections Act* on the November 2026 ballot to allow public financing of campaigns anywhere in California to make elections about ideas, not money!
