Prop 4 Support Form for Elected Officials and Local Leaders

Big Money is corrupting elections. Since 2020, over $1 billion has been spent on California state candidates alone — buying access for wealthy interests while drowning out everyone else.

Five charter cities have public financing systems that amplify the voices of everyday voters and allow candidates to compete without relying on wealthy donors. But unlike every other state, California bans every jurisdiction other than charter cities from passing public financing.

Proposition 4, the California Fair Elections Act, lifts the ban on public funding and gives every city, county, and the state the option to adopt public financing, with strict taxpayer safeguards, including requiring candidates to abide by expenditure limits and meet strict criteria to qualify.

Supporters: League of Women Voters of CA, California Nurses Association, ACLU CA Action, California Alliance for Retired Americans, CA Clean Money Campaign, CA Common Cause, California Democratic Party, CA Environmental Voters, CA Federation of Teachers, California Labor Federation, CA National Organization of Women, CA School Employees Association, CA Working Families Party, Consumer Watchdog, Courage CA, Indivisible California: Statestrong, La Defensa, SEIU California, Sierra Club California, Stand Up America, and many more.

☐ ***I support Proposition 4 and would like to be listed as a supporter.***

☐ ***I would like to attend the Proposition 4 Campaign Kickoff for San Francisco and be recognized at the event and on the flyers and invitations.***
Sunday, Oct 4 1-3pm. Harvey Milk Center for the Arts, 50 Scott St, San Francisco
